This program is distributed in the hope that it will be useful, but WITHOUT ANY WARRANTY; without even the implied warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE. See the GNU General Public License for more details. .

On Debian systems, the complete text of the GNU General Public License version 2 can be found in `/usr/share/common-licenses/GPL-2'.

As a special exception, you may create a larger work that contains part or all of the Bison parser skeleton and distribute that work under terms of your choice, so long as that work isn't itself a parser generator using the skeleton or a modified version thereof as a parser skeleton. Alternatively, if you modify or redistribute the parser skeleton itself, you may (at your option) remove this special exception, which will cause the skeleton and the resulting Bison output files to be licensed under the GNU General Public License without this special exception.

RIVERBANK COMPUTING LIMITED LICENSE AGREEMENT FOR SIP

1. This LICENSE AGREEMENT is between Riverbank Computing Limited ("Riverbank"), and the Individual or Organization ("Licensee") accessing and otherwise using SIP software in source or binary form and its associated documentation. SIP comprises a software tool for generating Python bindings for software C and C++ libraries, and a Python extension module used at runtime by those generated bindings. .

2. Subject to the terms and conditions of this License Agreement, Riverbank hereby grants Licensee a nonexclusive, royalty-free, world-wide license to reproduce, analyze, test, perform and/or display publicly, prepare derivative works, distribute, and otherwise use SIP alone or in any derivative version, provided, however, that Riverbank's License Agreement and Riverbank's notice of copyright, e.g., "Copyright (c) 2014 Riverbank Computing Limited; All Rights Reserved" are retained in SIP alone or in any derivative version prepared by Licensee. .

3. In the event Licensee prepares a derivative work that is based on or incorporates SIP or any part thereof, and wants to make the derivative work available to others as provided herein, then Licensee hereby agrees to include in any such work a brief summary of the changes made to SIP.

4. Licensee may not use SIP to generate Python bindings for any C or C++ library for which bindings are already provided by Riverbank. .

5. Riverbank is making SIP available to Licensee on an "AS IS" basis.

RIVERBANK MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED. BY WAY OF EXAMPLE, BUT NOT LIMITATION, RIVERBANK MAKES NO AND DISCLAIMS ANY REPRESENTATION OR WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR THAT THE USE OF SIP WILL NOT INFRINGE ANY THIRD PARTY RIGHTS. .

6. RIVERBANK SHALL NOT BE LIABLE TO LICENSEE OR ANY OTHER USERS OF SIP FOR ANY INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES OR LOSS AS A RESULT OF MODIFYING, DISTRIBUTING, OR OTHERWISE USING SIP, OR ANY DERIVATIVE THEREOF, EVEN IF ADVISED OF THE POSSIBILITY THEREOF. .

7. This License Agreement will automatically terminate upon a material breach of its terms and conditions. .

8. Nothing in this License Agreement shall be deemed to create any relationship of agency, partnership, or joint venture between Riverbank and Licensee. This License Agreement does not grant permission to use Riverbank trademarks or trade name in a trademark sense to endorse or promote products or services of Licensee, or any third party. .

9. By copying, installing or otherwise using SIP, Licensee agrees to be bound by the terms and conditions of this License Agreement.
